

FINAL NATIONAL WAR COLLEGE
SPEECHES

30 June 1959

MEMORANDUM FOR THE DIRECTOR

1. This memorandum recommends action in Paragraph 5.
2. You accepted the invitation to participate in this Seminar at the National War College on 24 July 1959 at 7 p.m. with the understanding that what you said would be classified.
3. The attached form letter from General Armstrong indicates a desire on behalf of the sponsors to publish edited reports of what each speaker had to say. This will, of course, cause each speaker to use unclassified material in his talk. The large number who will attend also make it necessary for the speakers to be careful not to use classified information even though the Seminar is classified.
4. In view of the secrecy with which the Director is protected in his briefings of the Congress, the NSC and other Governmental agencies, it would appear to me that he will maintain the prestige of his office and his own integrity by not permitting the publication of an edited edition of his remarks. It will be much more effective in the public mind to merely have the notation: "Remarks by Allen W. Dulles, Director of Central Intelligence, Off-the-Record."
5. RECOMMENDATION: That the DCI send the attached letter to General Armstrong.
